## Web Developer

📞 8789024145    ✉ rohitkumarrxx@gmail.com    🔗 [Linkedin](#)    🔗 [Github](#)    📍 Greater Noida, UP    ⭐ <https://roulportfolio.vercel.app>

## SUMMARY

Enthusiastic Computer Science student and emerging Full-Stack Web Developer skilled in HTML, CSS, JavaScript, React, Node.js, Express, and MongoDB. Built multiple responsive, real-world projects focused on usability, performance, and clean architecture. Actively seeking internships or entry-level roles to grow and collaborate.

## INTERNSHIP

### Fullstack Developer

#### Croma Campus Pvt

📅 05/2025 - 08/2025    📍 Greater Noida, UP

- Developed interactive web applications using HTML, CSS, JavaScript, React.js, Node.js, and Express.js.
- Worked with databases such as MongoDB and MySQL for data storage and retrieval.
- Gained practical experience with authentication, form validation, and CRUD operations.
- Delivered projects while maintaining clean and maintainable code.

## PROJECTS

### E-Commerce Web Application

📅 12/2025 - 01/2026

🔗 <https://impulseind.vercel.app/>

Impulse is a production-ready e-commerce platform for product browsing, cart management, and secure test online payments.

- Developed with React and React Router for dynamic navigation.
- Users can add or remove products from the cart and view cart contents.
- Integrated secure payment gateway using Razorpay for real-time transaction processing.

### Enterprise Resource Planning System

📅 09/2025 - 10/2025

🔗 <https://ace-erp.vercel.app/>

ACE ERP is a web-based ERP system that centralizes inventory, finance, sales, and reporting in one unified platform.

- Built a full-stack ERP solution with modules for managing business workflows, data integration, and operational visibility.
- Created a polished login page with demo credentials for quick access testing and validation.
- Deployed on Vercel with responsive UI and optimized performance for enterprise use.

### Personal Portfolio Website

📅 03/2025 - 04/2025

🔗 <https://roulportfolio.vercel.app/>

A responsive personal portfolio showcasing skills, projects, and contact information.

- Developed a clean and professional personal portfolio website to highlight web development projects.
- Integrated sections for About, Projects, Skills, Contact, and Socials.
- Implemented interactive UI elements and smooth navigation for better user engagement.

## SKILLS

### Client-Side

HTML

CSS

JS

React.js

Next.js

Tailwind CSS

TypeScript

Responsive Design

UI/UX Integration

### Server-Side

NodeJS

Express.js

REST APIs

MongoDB

PostgreSQL

MySQL

Python

### Development & Operations

Git

Github

Vercel

Netlify

Render

## EDUCATION

### Bachelor of Technology in Computer Science (AI)

IIT Group of Colleges

📅 2022 - 2026    📍 Greater Noida

GPA

7.6 / 10

## STRENGTHS

### Collaboration & Communication

Comfortable working with cross functional teams, participating in code reviews, and sharing knowledge.

### Problem-Solving

Analyzing complex technical challenges and delivering efficient, scalable solution.

## KEY ACHIEVEMENTS

### Delivered Responsive Interfaces

Designed mobile-friendly, accessible front-ends with Tailwind CSS, ensuring responsive layouts, faster load times, and improved user experience across devices.
